

Marriage and Family Therapy Course Sequence (2 year, 60 cr.) 2024-25

The catalog is the final authority on program requirements; this is intended as a tool for registration and planning purposes.

Due to the cohort model of the Marriage and Family Therapy program, this course sequence is the default for all incoming students. If a student has transfer credits or an alternate timeline, that individual must work with the Program Administrator and the Academic Advising Office to ensure all degree requirements are met in a timely fashion.
