MA, TESOL Course Sequence (Low-Residency, Flex; 3 years/10 semesters, 36 cr.) 2024-25

The catalog is the final authority on program requirements; this is intended as a tool for registration and planning purposes.

Due to the cohort model of the program, this course sequence is the default for all incoming students. If a student has transfer credits or an alternate timeline, that individual must work with the Program Administrator and the Academic Advising Office to plan their schedule accordingly.
