<u>General Master of Arts in Teaching with Elementary (1-6) Certification</u> 2024-25 Sequence (2 year, 38 graduate credits and up to 24 undergraduate prerequisite credits)

The catalog is the final authority on program requirements; this is intended as a tool for registration and planning purposes.

Due to the cohort model of the program, this course sequence is the default for all incoming students. If a student has transfer credits or an alternate timeline, that individual must work with the Program Administrator and the Academic Advising Office to plan their schedule accordingly.
