Total Major Hours: 72-76  
Suggested hours per semester: 16-18

## Major Academic Plan (MAP) for Catalog Year 2026-2027

The catalog is the final authority on CATC and major requirements; this is intended as a tool for planning purposes. Student course sequencing may vary depending on course offerings and other variables.

**Notes or Special Guidance for Majors:**

\*Course has prerequisite

<sup>F</sup> Fall only course

<sup>S</sup> Spring only course

<sup>#</sup>Offered every other year

<sup>1</sup> Courses that meet CATC tags (with max of 3 from the major counting for Christ at the Core Thematic Core) are included in elective and study abroad courses. Secondary Education courses that meet the CATC Thematic Core tags: EDUC 225 (SI) and EDUC 497 (with EDUC 135 taken at Wheaton) meet the PI theme. Mathematics major courses that meet CATC tags: CSCI 235 (AAQR), CSCI 243 (AAQR), MATH 235 (AAQR), Calculus AB or BC AP Exam with qualifying score (AAQR). A maximum of 3 themes can count in both the major requirements and the general education requirements for each major.

<sup>2</sup> Students not ready for Calculus II should discuss with their faculty advisor the next steps.

Guidelines for determining Calculus placement:

1. Students with a score of 4 or 5 on AP Calculus BC Exam have credit for both MATH 235 (Calculus I) and MATH 236 (Calculus II). They should enroll in Math 237 (Calculus III)
2. Students with a score of 3 on the AP Calculus BC Exam or a score of 4 or 5 on the AP Calculus AB Exam have credit for MATH 235 (Calculus I). They should enroll in MATH 236 (Calculus II).
3. Students without AP or dual enrollment credit should take the [Calculus Readiness Assessment](#).

The Mathematics Major with Teaching must be combined with a major in secondary education or with the pre-licensure secondary education certificate.

<sup>4</sup> EDUC 324L and EDUC 305L are taken concurrently the semester before student teaching.

<sup>5</sup> EDUC 135, 136, and 136L need to be taken together. These courses should be completed during the first year.
