Notes or Special Guidance for Majors:

- *Course has prerequisite
- ^F Fall only course
- ^S Spring only course
- # Offered every other year

¹ Philosophy courses that meet the CATC Thematic Core tags: PHIL 311 (HP, PI), PHIL 245 (AAQR). Many elective courses carry Thematic Core tags. A maximum of 3 Thematic Core tags can be counted both for the major and the CATC requirements.

² 18-20 elective hours required, depending on whether students select PHIL 243 or PHIL 245 for the logic requirement. First-Year students are advised to take a 100- or 200-level Philosophy course their first semester. At least 12 of the 32 total hours in the Philosophy major must be taken at the 400 level.

³ Students can choose to take the 2-credit PHIL 243 (Intro to Logic) or the 4-credit PHIL 245 (Logic) to meet the requirement. PHIL 243 is the first half of the PHIL 245 class, and both are offered every semester.

⁴ PHIL 311 and 312 (History of Philosophy) do not have to be taken in order.

⁵ PHIL 494 (Capstone) is offered every fall semester and should be taken in the junior or senior year.

⁶ Philosophy majors can take BITH 374: Systematic Theology instead of BITH 315: Christian Thought to meet the CATC Shared Core requirement.

-The Philosophy major is flexible, so students are encouraged to join at any time. Faculty advisors are available to assist students who join the major after their first semester or year.
