FT=Full-time
In Process= Students from the cohort listed have not yet graduated.
Programs are only required to provide data on the past 7 years/cohort or since the program was initially accredited, whichever is shorter.

* Graduation rate is percentage of students who graduate within the program's advertised length of completion, which is two years (maximum 5 years.)

** Job placement rate is the percentage of students that are employed utilizing skills learned in the program.

*** Licensure rate is the percentage of students that have achieved *any* level of MFT licensure. Licensure rates get calculated three years after graduation. COAMFTE has established a benchmark of 70% licensure rate for each cohort.

**** This cohort has not yet reached the third year after graduation so data is still being collected.
