

HONEYROCK SUMMER CAMP

Serving More Campers

FUNDRAISING GOAL: \$1.8M

Our vision is to see generations alive in Christ and equipped for the good works He prepared in advance for us to do.

Throughout its history, HoneyRock has proven to be extremely effective in employing its immersive ministry model to foster the development of whole and effective people.

THIS CAN BE SEEN IN:

- Summer Camp serving 1,000+ overnight campers and 150+ college-aged summer staff every summer
- School Year Programs serving 40+ Wheaton College graduate and Vanguard Gap Year students
- Passage - Wheaton College New Student Orientation - serving 550+ students each August

OUR CHALLENGE: HoneyRock's summer camp programs are more relevant than ever and in high demand, with some kids not getting the opportunity to benefit from our life-changing programs. In addition, it's been necessary to increase the prices of our programs as operating costs have risen over the last several years.

OUR VISION: We have an opportunity to add capacity - while maintaining high-quality offerings - to serve more kids. In addition, we have ample opportunity to raise scholarship funds to expand the reach of HoneyRock and subsidize a portion of the total cost for everyone so our programs stay affordable.

HONEYROCK
Center for Leadership Development

HONEYROCK SUMMER CAMP

- Add 4 new camper cabins, built in-house
- Add capacity to key activity areas, including a new climbing tower, improved volleyball court, kayaks, paddleboards, and other key activities
- Additional camper scholarship funds

IMPACT OF SUMMER CAMP INVESTMENT

- Each additional cabin will serve **32 campers and 18 students each summer** which is **2,000 campers and students** over its useful life of 40 years!
- We offer 14 activity areas today and expanded capacity, particularly with a new larger climbing wall will enable us to serve **150 additional campers each summer**.
- Additional camper scholarships. These camper scholarships will help subsidize the cost for **300 additional campers every year**.

HoneyRock's immersive camp experience includes intentional planning. Each program component is part of the relationship formula that leads to life change and growth, of course with Christ doing the most important work. We want to see more kids and families benefit from these wonderful programs.

MATT ERICKSON

HoneyRock Executive Director

To the generous donors supporting HoneyRock, we are truly grateful for you as our kids could not go without your help... Each year we have seen the LORD grow them in unique ways according to what He knows they each need. It is beautiful.

PARENT TESTIMONIAL

Camp was a great way to push me out of my comfort zone, to meet new people, and do some things that I would never have done before!
