

Urban Passage **PACKING LIST**

Think layered and comfortable clothes. You'll need to pack for a variety of activities that take place both inside and outside. Chicago weather can present warm weather up to 90°F during the day, then get cool in the evenings down to 60°F. Passage programming continues throughout the day through variable weather conditions including rain, heat, humidity, and other summer weather patterns. Laundry may not be available, but it's normal to wear clothes multiple times. You are encouraged to pack these items in a **single** backpack style duffel bag or wheeled luggage you are comfortable caring for up to 1 mile.
