Dr. Carlos Campo

Wheaton College is delighted to welcome Dr. Carlos Campo, Chief Executive Officer of the Museum of the Bible, as its 2026 Commencement speaker. Dr. Campo leads the executive team and more than 300 employees at the Museum of the Bible in Washington, DC, where they advance the museum's mission to invite all people to engage with the transformative power of the Bible.

Dr. Campo previously led an accomplished career in higher education, including service as the 30th president of Ashland University, president of Regent University, and chief academic officer at the College of Southern Nevada. Prior to moving to Virginia, he was a member of Nevada's State P-21 Commission, where he was the chief architect of the state's first dual-enrollment program, establishing a strategic continuum from preschool through college completion.

In addition to earning his bachelor's, master's, and doctoral degrees from the University of Nevada, Las Vegas, Dr. Campo holds honorary doctorates from the University of Vienna, Taylor University, and Indiana Wesleyan University, and was named Alumnus of the Year by the University of Nevada, Las Vegas, where his dissertation on playwright Arthur Miller was awarded "Dissertation of the Year."

Dr. Campo serves as vice chair of the National Hispanic Christian Leadership Conference, working with national leaders on educational reform and education policy; he is widely regarded as one of the nation's most influential Latino Christian leaders. A long-time board member and former chair of the Museum of the Bible's Education Committee, he brings both deep institutional knowledge and strategic vision to his role.

Carlos and his wife, Karen, have been married for 45 years and have three children and three grandchildren.

Once you enter the auditorium and are seated, please mute cell phones and do not leave your seat except in an emergency. A professional photographer will make available an individual photo of each graduate being awarded the diploma. A video recording of the Commencement ceremony will be available at www.youtube.com/wheatoncollege.

THE ACADEMIC COSTUME

The history of academic dress reaches far back into the early days of the oldest universities. European institutions show great diversity in their specifications of academic dress, but American colleges and universities have followed a costume code adopted by the American Council on Education. The bachelor's gown traditionally has pointed sleeves. The master's gown is distinguished by its oblong sleeve. The gown for the doctor's degree has bell-shaped sleeves. The velvet border of the hood indicates the type of degree conferred, such as navy blue for Ph.D., scarlet for Th.D. or other theology or divinity degrees, pink for music degrees, white for M.A. or other liberal arts degrees, purple for law degrees, light blue for Ed.D., etc. The colorful hood linings represent the official colors of the college or university conferring the degree. The length of the hood and the width of the trim are determined by the degree.

Graduation Honors are awarded on the basis of scholastic average. The honors noted in this program are final for December graduates and tentative for all other graduates.

* Graduating CUM LAUDE
