Dr. Marlene Wall

Dr. Marlene Wall serves as President of LCC International University (LCC) in Klaipėda, Lithuania during a time of conflict and crisis in Eastern Europe. She embodies the Christ-centered leadership prized by Wheaton College for its graduates around the globe.

Guided by its Christian liberal arts vision, LCC aims to prepare a generation of leaders for Lithuania, Eastern Europe, and Central Asia who think critically, promote democratic ideals, develop a market economy, and rebuild the network of civil society from the vantage point of a Christian worldview. Founded in 1991, LCC's students come from 60 countries, with professors from Europe and North America.

Dr. Wall served LCC for twenty years prior to her appointment as president, including her involvement in LCC's first Summer Language Institute and leadership as academic vice president. As the school has integrated students who have survived trauma and fled persecution from countries experiencing political upheaval, she has formed partnerships with Middle Eastern universities as well as humanitarian organizations and religious leaders.

Prior to serving LCC full-time in Klaipėda, Dr. Wall directed a five-thousand-student ESL public school program in Wichita, Kansas. She earned her PhD in Curriculum and Instruction from Kansas State University, as well as her MA in Linguistics from Southern Illinois University and her BA in English/Secondary Education from Tabor College in Kansas—a sister institution in the Council for Christian Colleges and Universities.

THE ACADEMIC COSTUME

The history of academic dress reaches far back into the early days of the oldest universities. European institutions show great diversity in their specifications of academic dress, but American colleges and universities have followed a costume code adopted by the American Council on Education. The bachelor's gown traditionally has pointed sleeves. The master's gown is distinguished by its oblong sleeve. The gown for the doctor's degree has bell-shaped sleeves. The velvet border of the hood indicates the type of degree conferred, such as navy blue for Ph.D., scarlet for Th.D. or other theology or divinity degrees, pink for music degrees, white for M.A. or other liberal arts degrees, purple for law degrees, light blue for Ed.D., etc. The colorful hood linings represent the official colors of the college or university conferring the degree. The length of the hood and the width of the trim are determined by the degree.

Once you enter the auditorium and are seated, please mute cell phones and do not leave your seat except in an emergency. A professional photographer will make available an individual photo of each graduate being awarded the diploma. A video recording of the Commencement ceremony will be available at www.youtube.com/wheatoncollege.

Graduation Honors are awarded on the basis of scholastic average. The honors noted in this program are final for December graduates and tentative for all other graduates.

- * Graduating CUM LAUDE
