

## **C.S. Lewis Library**

---

### **Background Information**

The majority of the Lewis Library was acquired from Wroxton College in 1986, where it had been in use by the patrons of the college library. Other titles have been given by C.S. Lewis's friends and associates to the Wade Center.

### **Related Materials**

1. The Lewis Library Inserts Archive contains items that were found between the pages of the books in C.S. Lewis' personal library. A list and photocopies of some of the handwritten annotations in the books are also included.
2. "C.S. Lewis: A Living Library" by Margaret Anne Rogers is a thesis written about the Lewis library collection while it was at Wroxton College.
3. *From the Library of C.S. Lewis: Selections from Writers who Influenced his Spiritual Journey*, edited by James Bell, is an anthology of excerpts from books in Lewis's library.

### **Requesting Books**

*On-Site use only; [Reading Room Appointment](#) with 24-hour notice required.*

To request materials from the C.S. Lewis Library, please provide Kilby Reading Room staff with a list of call numbers and titles.

Use the hyperlink for each title to see the local note in our online catalog record, which provides more details and specific pages that have lining, marginalia, or annotations.

**Bolded** entries indicate the filing terms and are only noted for organization purposes.

**Key:**
